### Food bank gets donation from Peapod

**MILLWOOD:** The Food Bank for Westchester recently received a donation from Peapod's Refer-a-Friend Charity Program. The donation enabled the food bank to provide 5,000 pounds of nutritious food to people who are hungry in Westchester by helping shoppers save money on groceries while making a donation.

Peapod, an online grocery shopping and delivery service, donated \$10 for every current and new customer who referred a friend to try the

Peapod service. Both those who referred and tried the service for the first time also earned a \$10 discount for their own orders.

Submitted on behalf of the Food Bank for Westchester.
