Food Bank for Westchester

You know who they are... The people, groups, and organizations in your community who go out of their way to help others – and who have donated time, effort and resources to fight hunger in Westchester County.

The Food Bank for Westchester is calling for nominations for the 2011 Hunger Hero Awards -- dedicated individuals, groups, programs and/or agencies who have made exceptional efforts in fighting hunger in their Westchester community this year. The winners will be honored at the Hunger Heroes Awards Breakfast on Tuesday, June 7, 2011, 8:00 am at the Tappan Hill Mansion, Tarrytown.

The Hunger Hero Award categories are:

- Service Provider Award: To recognize an agency/program that has provided outstanding hunger-relief service to its community.
- Volunteer Award: To recognize an individual volunteer or group of volunteers who have provided outstanding service in helping to alleviate hunger in the community.
- Donor Award: To recognize the generosity of a donor (an individual or corporation) in the fight against hunger in Westchester County.

The individual, group, program and/or agency does not have to be affiliated with the Food Bank for Westchester or with Feeding America to qualify.

Do not miss this opportunity to recognize those who deserve accolades for their efforts in fighting hunger. Nomination forms are available on the Food Bank for Westchester website
