Toby Pidgeon named Director of Operations at The Food Bank for Westchester

Toby Pidgeon has been appointed Director of Operations at the Food Bank for Westchester. In this

role, Pidgeon will oversee the day-to-day operations of the organization, including all food distribution and direct-service programs.

Pidgeon joined the Food Bank for Westchester (FBW) in 2005 as

manager of Nutrition Resources. He quickly assumed expanded responsibili-

ties in food acquisition and logistics management, and he developed and implemented fresh-food distribution programs to better meet FBW's commitment to provide nutritious food to hungry Westchester residents. Under his direction, FBW adopted the "Nutrition, Not Just Calories" slogan.

Prior to joining FBW, Pidgeon was project manager for Glen Manor Designs, a home design and remodeling company based in Manhattan. He has also held positions as a youth counselor at the Charleston School in Troy, New York and as a health and reading teacher in New York City schools.

Pidgeon holds a Bachelor of Arts degree in Community Public Health from College of Mount St. Vincent, Riverdale, New York. He serves on the Nutrition Science Committee of Cornell University Cooperative Extension of Westchester; is a member of Peekskill Agencies Together, which provides community service to bet-

ter the City of Peekskill; and has recently been selected to serve on the Food Safety Task Force of Feeding America, the national food bank network, based in Chicago. He and his wife, Marietta, live in Yorktown Heights with their toddler daughter, Sophia.
