ABOUT THE FOOD BANK FOR WESTCHESTER: One of eight food banks in New York State, the Food Bank for Westchester is the supply and support center for 227 frontline hunger-relief agencies throughout the county. With the help of volunteers, funders, and food donors, the Food Bank acquires and distributes more than seven million pounds of food annually, providing 95% of all the food distributed by food pantries, soup kitchens, shelters, child and adult day-care and residential centers, and other hunger-relief programs throughout Westchester. The mission of the Food Bank for Westchester is to lead, engage and educate Westchester County in creating a hunger-free environment. ABOUT 9/11 DAY OF SERVICE AND REMEMBRANCE: The annual 9/11 Day of Service and Remembrance is a day when individuals, not-for-profit organizations, corporations, schools and other groups around the world observe the anniversary of 9/11 by taking time to engage in charitable service in tribute to the victims of 9/11 and all those who rose in service in response to the attacks. MyGoodDeed and HandsOn Network, the volunteer activation division of Points of Light Institute, are leading an influential coalition of organizations that are working together to plan and implement the 9/11 Day of Service and Remembrance for the 10th anniversary of 9/11, with the goal of organizing the single largest day of charitable service in U.S. history. The National Center for Missing & Exploited Children offers tips on keeping children safe:

- Make sure you know where each of your children is at all times.
- Be involved in their activities and give them lots of attention and supervision.
- Listen to them, especially if they talk about people they don't want to be around.
- Teach them they can say no to unwelcome actions or touching by others.
- Be sensitive to changes in their behavior or attitudes.
- Screen babysitters and caregivers. Check references and sexual offender registries.
