

## The Food Bank Of Westchester Needs You!

The Food Bank for Westchester County relies heavily on support from volunteers and donors. Volunteers come daily to the warehouse to help repack food donations into retail sizes. The food bank offers hunger relief and educational services to it's clients to help reduce dependence on the emergency food distribution network, and to increase self-sufficiency. There are five programs in particular that I'd like to mention.

**SNAP** (formerly known as food stamps) focuses on providing information and application assistance for seniors and the homebound. **STEPS** provides self-sufficiency training skills and nutrition education for low-income women and children. **Kids Cafe** is an after school hot meal/nutrition program for kids. Some of the Westchester Boys and Girls clubs have taken advantage of this program with great success. **BackPack Program** provides bags of nutritious food to food-insecure children for the weekend. **Hearty Helpings Meat Cooperative**, coops are gaining momentum in Westchester and this one supplies it's participants with meat and fish monthly for one third of the retail cost. Anyone can participate in this program.

Without volunteers none of this would be possible, if interested please contact the Food Bank Directly on 914.923.1100 or [www.foodbankforwestchester.org](http://www.foodbankforwestchester.org).
